

**Celgene**  
Cordially invites you to attend a  
**Dinner Symposium**  
In collaboration with  
**Malaysian Society of Haematology**

**Treatment of Myelodysplastic Syndrome-  
"The Present and the Future"**

**Speaker**

**A/Prof. Maria Teresa Voso, MD**

Associate Professor of Hematology  
Universita' Tor Vergata  
Department of Biomedicine and Prevention  
Rome, Italy

**Chairperson**

**Dr Alan Teh Kee Hean**

Consultant Hematologist  
Subang Jaya Medical Centre  
President of Malaysian Society of Haematology

**Date:** 28<sup>th</sup> May, 2015, Thursday

**Time:** 7:00pm – 10:00pm

**Venue:** Hilton Kuala Lumpur Hotel  
Suite 2 & 3, Level 7

**Program :** 7.00pm – 7.30pm Reception

7:40pm - 8:40pm Scientific Symposium + Q&A  
8:40pm – 10:00pm Dinner & Discussion

**About The Speaker :** Professor Maria Teresa Voso graduated from the Medical School of the Catholic University of the Sacred Heart in Rome, Italy. From 1992-94 she worked as a Research Fellow with Professor Daniel G. Tenen at Harvard Medical School, Boston, USA, focusing on the molecular mechanisms of hematopoiesis. From 1996-1999 she worked as Instructor in Medicine at the University of Heidelberg, Germany. From 1999-2014, she worked at the Institute of Hematology of the Catholic University in Rome as Assistant Professor of Hematology. Professor Voso's major clinical & research interests are in treatment of AML and MDS syndromes, molecular biology of hematological malignancies and genetic and epigenetic changes in MDS and AML. Professor Voso is author of over 120 publications on peer-reviewed journals.
