

## Call for Abstracts!

The 10th JSH International Symposium will be held in Ise-Shima, Japan from 17 - 18 May 2019.

The main theme is *Connecting hematopoiesis, oncogenesis, and immunity*

Please join to share your knowledge and expertise with colleagues from around the world!

**Please submit your abstract by 28th February, 2019 23:59 (JST)**

### The 10th JSH International Symposium Awards

The organizing committee welcomes the submission of abstracts for poster presentation for the Symposium. Among them, three excellent abstracts will be selected as oral presentations by the organizing committee.

All submissions are eligible and will be considered for the "The 10th JSH International Symposium Awards".

Submissions by young investigators are especially expected.

This message was sent by mail delivery software. Please do not directly reply to this e-mail address.

You are receiving this email because you dropped by JSH booth at EHA and/or ASH Annual Congress.
