

APBMT & ICBMT

2019 - 24th Annual Congress of APBMT
- 24th Annual Congress of KSBMT

For the best stem cell transplantation

Request for PR Cooperating of APBMT&ICBMT2019

APBMT&ICBMT 2019 Overview

- Date: August 30th ~ September 1st, 2019
- Venue: Bexco, Busan, Korea
- Host: The Korean Society of Blood and Marrow Transplantation (KSBMT)
- Website: apbmt-icbmt2019.org

APBMT-ICBMT 2019 would be held at BEXCO in Busan, Korea from August 30th to September 1st, 2019. This 24th Annual Congress of APBMT will conjunctive by APBMT(Asia-Pacific Blood Marrow Transplantation) and ICBMT(The International Congress of BMT).

We anticipate that Congress will provide a platform to bring current knowledge and recent information about the best stem cell transplantation and will provide opportunities for domestic and foreign experts to share information about their institutions.

Also, For the overseas participants, 'Travel Awards' is prepared. If your abstract is selected as the best abstract, you could receive UDS 1000! Please do not miss the honorable chance!

Moreover, Busan is ready to provide all the participants with various shopping, specular scenery, historic places, and traditional hospitality. In this regard, a visit to our Congress could be a rewarding experience for all the participants.

Request for PR Cooperating of APBMT&ICBMT2019.

To encourage the participation of attendance, we would like to ask you to send out our letter to your members.

Please check the PR letter we attached. (PDF&html)
